Dear Mr Favell

North Wambo Underground Mine Development of First Workings adjacent to Longwall 10

I refer to your letter dated 6 May 2014 regarding the development of additional first workings (for proposed Longwall 10A) at the North Wambo Underground Mine. The Department has given this matter careful consideration.

The Department's view is that the development of additional first workings, as detailed in your letter, is authorised by or is otherwise generally in accordance with the development consent granted to DA 305-7-2003, as modified.

Yours sincerely

DKitto 12/5/14
