Mission
To create superior value for shareholders as the leading global supplier of coal, which enables economic prosperity and a better quality of life.

Our Values
Safety
We commit to safety and health as a way of life.

Customer Focus
We provide customers with quality products and excellent service.

Leadership
We have the courage to lead, and do so through inspiration, innovation, collaboration and execution.

People
We offer an inclusive work environment and engage, recognize and develop employees.

Excellence
We are accountable for our own success. We operate cost-competitive mines by applying continuous improvement and technology-driven solutions.

Integrity
We act in an honest and ethical manner.

Sustainability
We take responsibility for the environment, benefit our communities and restore the land for generations that follow.

Our Strategy
Continuing to reweight our investments toward greater seaborne thermal and seaborne metallurgical coal access to capture higher-growth Asian demand

Optimizing our lowest-cost and highest-margin U.S. thermal coal assets to maximize cash generation

Executing our financial approach of generating cash, maintaining financial strength, investing wisely and returning cash to shareholders

Strategic Enablers
Operational Excellence
Drive safety, productivity, cost efficiency and reclamation performance.

Financial Strength
Maintain target capital structure that enables sustainable performance through all market cycles and maximize shareholder returns through disciplined capital allocation.

Portfolio Management
Continually enhance the value of our portfolio emphasizing high-quality assets targeting the most attractive demand centers.

Best People
Attract and retain the best people in the industry and align their talents to maximize their full potential.
